## ABOUT US

Whitemarsh Community Ambulance Association (WCAA) has been providing emergency care to the residents of Whitemarsh Township since 1956. We are committed to providing the highest quality ambulance service to all residents and visitors of our area.

We are a non-profit organization without dedicated tax-dollars for support. We rely on subscription drives like this, as well as other types of fundraising efforts throughout the year. We also bill for our services (third party billing), in order to recoup as much of our expenses as possible, so that we can continue to provide high quality EMS care.

You are a vital link in our lifesaving team. To continue providing quality care, and offset rapidly escalating costs, we need your support!

### WHAT IS THIRD PARTY BILLING?

Third party billing is the process whereby WCAA bills federal and state entitlement programs such as Medicare and Medicaid, as well as insurance companies. We also bill uninsured patients directly. Unfortunately, some commercial carriers issue a check directly to the patient. In such cases, the patient is obligated to immediately remit that payment to WCAA. If a patient keeps such a check, their subscription is void and WCAA will pursue legal action to collect the amount due.
